

Would you like to organise a Workshop?

As one of the scientific organisers of a Company of Biologist's Workshop (more than one scientific organiser is encouraged), your involvement will be focused on interdisciplinary, cutting edge science and promoting new partnerships and collaborations.

Your Workshop will typically have 20 invited speakers and there'll be 10 places available for early career scientists.

We'll take care of

- all the logistical arrangements
- liaising with the venue
- organising the speaker travel
- helping arrange the programme
- funding the meeting

Workshop proposal deadline date

28th April 2017
