Tiered pricing

The Company of Biologists introduced tiered pricing in 2007 based on a 5 tier system. Visit our website www.biologists.com or e-mail subscriptions@biologists.com for help allocating a tier. Most subscribers are usually either tier 3 or 4. Tier 5 subscriptions are negotiated individually with The Company of Biologists. The Company of Biologists retain the final say in tier allocation decisions.

Pricing 2020

The Company of Biologists do not support double dipping and return APC fees as a proportion of income related to hybrid articles via the online subscription renewal price. The prices shown here have already had APC formula applied.
