# Cell dynamics: organelle- cytoskeleton interface

19-22 May 2019

Pestana Palace Hotel, Lisbon, Portugal

*"The last meeting was scientifically and socially a truly great experience. The program was exciting, the scientific discussions were lively and the social program provided many opportunities to connect and network."*

Johanna Ivaska, University of Turku, Finland

## Meeting information

Following on from our highly successful inaugural Cellular Dynamics Meeting in 2017, which focused on the membrane-cytoskeleton interface, the second in this series of meetings now turns to organelles. Although organelles are a prominent area of research, studies into their dynamics tend to overlook the connection with the cytoskeleton.

This meeting aims to bring together scientists studying the interface between organelles and the cytoskeleton at different scales and perspectives using a range of model systems. We have a stellar line-up of speakers who will cover topics such as actin, mitochondria, the ER, the Golgi, motors, microtubules, the nucleus, endosomes and autophagy.

## Exhibition and sponsorship opportunities

### Exhibitor – 1800 Euros

- Exhibition space 2m x 2m
- Company logo with link on the meeting website
- Full page colour advertisement in the meeting booklet
- Day registrations for 2 staff on the stand
- Dinner invitations on the exhibition day only for 2 staff
- Logo and company description (50 words) in the meeting booklet
- Company logo on all welcome/holding slides throughout the meeting

If you wish to display literature or materials at the meeting but will not be able to attend please get in touch for a price.

### Meeting dinner – 1500 Euros

The main meeting dinner will be held on the last night, Tuesday 21 May. Your logo will be on the meeting booklet and also on the menus on each table. Your company logo and website link will be detailed on the sponsor's page of the meeting website. Your branded banner stands and signage can be on display along with your literature during the dinner.

### Poster prizes

Please contact us if you are interested in sponsoring a poster prize.

### Delegate meeting bags – 1200 Euros

This is a great opportunity to get your logo on the meeting bags alongside our logo. Your logo and website link will be on the meeting website as well as your logo being in the meeting booklet.

### Poster session with pre-dinner drinks – 975 Euros per session

The poster sessions with pre-dinner drinks will be held on Sunday 19 and Monday 20 May and will be an ideal time to meet the delegates. Your logo and website link will be on the meeting website and your logo will feature in the meeting booklet. Your branded banner stands and signage can be on display along with your literature during this poster session.

### Sponsored lanyards – 780 Euros

All delegates will be given a name badge attached to a lanyard to wear for the duration of the meeting. Your logo would be printed on the lanyard along with the logo for Journal of Cell Science. Your logo and website link will be on the meeting website as well as your logo being in the meeting programme.

### Inserts in delegate bags – 600 Euros

One A4/A5 leaflet will be included into the delegate packs. This is the best way to maximize exposure and ensure every delegate sees your information.

### Sponsored talk - 750 Euros

There will be an opportunity for your company to have a sponsored talk in the programme, giving you great exposure to all meeting delegates. Availability is limited, so please let us know at your earliest convenience if you are interested in this option.

**If you don't see a package that suits your specific needs, please contact us and we will be happy to help.**

## Exhibition information

### Space allocation

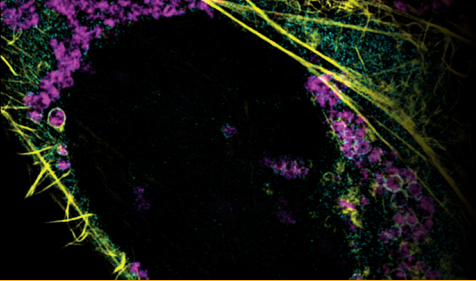

The exhibition stands are sold as space only with a 6ft table with 2 chairs. Spaces will be allocated on a first come, first served basis. The stands will be in the refreshment area.

### Exhibition hours
