- Higher visibility of articles
- No barriers to sharing and reuse

## Read

- Unlimited access to new and archive content in our prestigious hybrid journals

## What do authors say?

"It was wonderful to discover that we could publish our paper Open Access for free. It's great to know that our research is immediately accessible to everyone worldwide who wishes to access it."

"As early-career researchers completing research that was not funded using a massive grant, we had no funds to cover publication fees. So being able to publish Open Access for free was a lifeline for me and my co-authors."

"To have our paper published Open Access free of charge was simply awesome, and it only took a few clicks to arrange."
