

Workshop

Developmental Metabolism and the Origins of Health and Disease

24 - 27 October 2022
Buxted Park
East Sussex
UK

Funded places for early-career researchers

This Workshop will bring together a multidisciplinary group of scientists interested in metabolism, nutrition, development, and the developmental origins of health and disease (DOHaD). It aims to inspire new cross-disciplinary research directions, such as the mechanistic links between early-life metabolism and adult disease.

Topics for discussion include:

- Nutrition and metabolism
- Metabolism of development
- Developmental origins of health and disease
- Metabolism in disease

Organisers

Sally Dunwoodie
Alex Gould

Speakers

- Jens Brüning
- Ralf Deberardinis
- Lydia Finley
- Dino Giussani
- Keith Godfrey
- Myriam Hemberger
- Pierre Leopold
- Susan Ozanne
- Wilhelm Palm
- Linda Partridge
- Norbert Perrimon
- Olivier Pourquie
- Theresa Powell
- Tristan Rodriguez
- Aurelio Teleman
- Marian Walhout

Secure your place* alongside leading experts and other early-career researchers from a diverse range of scientific backgrounds.

Deadline: 22 April 2022
