

# Workshops 2028

Inspiring innovation and collaboration

## Would you like to organise a Workshop?

As one of the scientific organisers of a The Company of Biologists Workshop, your involvement will be focused on interdisciplinary, cutting-edge science and promoting new partnerships and collaborations.

Your Workshop will typically have twenty invited speakers and there will be ten places available for early-career scientists.

We are currently seeking proposals for Workshops to be held in 2028.

**Workshop proposal deadline date  
29 May 2026**

We will take care of:

- all the logistical arrangements
- liaising with the venue
- organising the speaker travel
- helping arrange the programme
- funding the meeting

### Global South Workshop

In 2028 we will be looking to host one The Company of Biologists Workshop in a Global South country.

If you are based in one of these regions, visit the website for more details.
