

Workshops 2022

Inspiring innovation and collaboration

Would you like to organise a Workshop?

As one of the scientific organisers of a Company of Biologist's Workshop, your involvement will be focused on interdisciplinary, cutting-edge science and promoting new partnerships and collaborations.

Your Workshop will typically have 20 invited speakers, with ten additional places available for early-career researchers.

We are currently seeking proposals for Workshops to be held in 2022.

We will take care of

- all the logistical arrangements
- liaising with the venue
- organising the speaker travel
- helping arrange the programme
- funding the meeting

Workshop proposal deadline date
31 July 2020
